FINANCE INDIA is the official publication of Indian Institute of Finance, published since 1987 regularly. The primary aim of the Journal is to promote research by disseminating the results of such research in Finance, Accounting and related areas. The Journal is intended to provide scholars a major platform for interdisciplinary study of various aspects of Finance.

The Journal publishes articles, research papers, abstracts of doctoral dissertations, contents of articles published in journals, book reviews, abstracts of books recently published, an extensive bibliography on one of the areas related to Finance, and statistics on Indian and World Economy (macro economic indicators, money and banking, international finance, public sector enterprises and credit), forthcoming seminar & conferences and placement positions in the world of finance.

The Journal is published four times a year in March, June, September and December. The research studies published are given wide coverage in national and international media. They have been seriously considered, accepted and acted upon by the Governments and policy-making institutions. One of the studies on “Capital Flight” appeared as the Front Page “Lead” news in The Times of India (30th January 1997) and in The Hindustan Times (29th January 1997) apart from a series of others, including TV and Radio.
